OWTEL INC.

International Telecommunications Certificate

Service(s): Global or Limited Global Facilities-Based Service, Global or Limited Global Resale Service

Application for authority to provide facilities-based service in accordance with Section 63.18(e)(1) of the rules, and also to provide service in accordance with Section 63.18(e)(2) of the rules.

Modification

Verizon Communications Inc. (Verizon) and its affiliates listed below (collectively "Verizon and its affiliates") request, pursuant to section 63.13 of the Commission's rules, 47 C.F.R. § 63.13, that the Commission reclassify Verizon and its affiliates as non-dominant carriers on the U.S.-Dominican Republic route. According to the filing, Verizon and its affiliates are classified as dominant on the route under section 63.10 of the rules because they were affiliated with Verizon Dominica C. por A (Verizon Dominica, formerly known as Compania Dominicana de Telefonos (CODETEL)), a foreign carrier presumed to have market power on the foreign-end of the route. Verizon and its affiliates state that on December 1, 2006, Verizon sold its interests in Verizon Dominica to America Movil, and thus it is no longer affiliated with Verizon Dominica. Consequently, Verizon and its affiliates state that they are no longer affiliated with any foreign carriers in the Dominican Republic. Verizon and its affiliates submit that they therefore are entitled to a presumption of non-dominance in their provision of service on the U.S.-Dominican Republic route. The Verizon affiliates are: Bell Atlantic Communications d/b/a Verizon Long Distance; NYNEX Long Distance Company d/b/a Verizon Enterprise Solutions; Verizon Global Solutions Inc.; Verizon Select Services Inc.; Verizon Airfone Inc. (f/k/a GTE Airfone Incorporated); Verizon International Communications Services Inc. (formerly CODETEL International Communications Incorporated); MCI, LLC (f/k/a MCI, Inc.); MCI Communications Corporation; MCI International, Inc.; MCI Communications Services Inc. (f/k/a MCI WorldCom Communications, Inc.); MCI International Services, Inc. (f/k/a MCI WorldCom International, Inc.); MCI Communications Services, Inc. (f/k/a MCI WorldCom Network Services, Inc./MCI Network Services, Inc.); and, MFS Globenet, Inc.

Interested parties may file comments on or before June 1, 2007, and reply comments on or before June 8, 2007.

Modification

Cellco Partnership d/b/a Verizon Wireless and its affiliates, GTE Railfone LLC, Verizon Wireless Personal Communications LP, and Cal-One LP (collectively "Verizon Wireless and its affiliates") request, pursuant to section 63.13 of the Commission's rules, 47 C.F.R. § 63.13, that the Commission reclassify Verizon Wireless and its affiliates as non-dominant carriers on the U.S.-Dominican Republic route. According to the filing, Verizon Wireless and its affiliates are classified as dominant on the route under section 63.10 of the rules because they were affiliated with Verizon Dominica C. por A (Verizon Dominica, formerly known as Compania Dominicana de Telefonos (CODETEL)), a foreign carrier presumed to have market power on the foreign-end of the route, through Verizon Communications, Inc. (Verizon). Verizon Wireless and its affiliates state that on December 1, 2006, Verizon sold its interests in Verizon Dominica to America Movil, and thus is no longer affiliated with any foreign carriers in the Dominican Republic. Verizon Wireless and its affiliates submit that they therefore are entitled to a presumption of non-dominance in their provision of service on the U.S.-Dominican Republic route.

Interested parties may file comments on or before June 1, 2007, and reply comments on or before June 8, 2007.
